Centrric.

Letter from the CEO

Good Day!

Centrric's journey began in 2015, with 2 members in the team. With the remarkable commitment of the team and trust from our clients we have grown so as our vision and role in the world. Today we are proud that we empower and navigate our clients to their digital transformation.

We were able to ideate, craft, implement and scale digital solutions for our clients and we are continuing the same.

We're also investing in solutions that create lasting change in the Education and Media Industry. We believe in 'collaboration instead of competition'.

Our goal is, and always will be, for finding breakthrough solutions for the real world problems. At Centrric, we will never stop learning and evolving for better. Our vision will always guide us, and our values will always push us forward towards the better future we believe in.

Regards,

Althaf K Shaphy

CEO | Centrric Innovations Pvt. Ltd.

About Centrric

Centrric is a leading company in next gen digital services, product development and consulting. We enable clients in 10+ countries to navigate their digital dreams of transformation. We also crafted solutions in the Education and Media Industries and scaled it for the public.

With nearly a decade of experience in ideating, crafting, implementing and scaling large scale cloud solutions, we expertly navigate our clients to their digital transformation.

We are committed to providing creative & innovative cloud solutions conforming to international standards. We work as technology partners to our clients.

We have served clients from Australia, Bahrain, India, Dubai, Kuwait, Oman, New Zealand, Qatar, Saudi Arabia, United Arab Emirates, and U.K.

Story of Centrric

Centrric Innovations Pvt Ltd (Centrric) commenced its operations as EZED TECH in 2016, later we incorporated as Centrric in 2021. Our office is located in CITTIC, CUSAT (Cohin University of Science and Technology), Kochi, an IT hub and emerging cosmopolitan city in Kerala, the southern state of India.
